

ASSEMBLY

VALUE ADDED

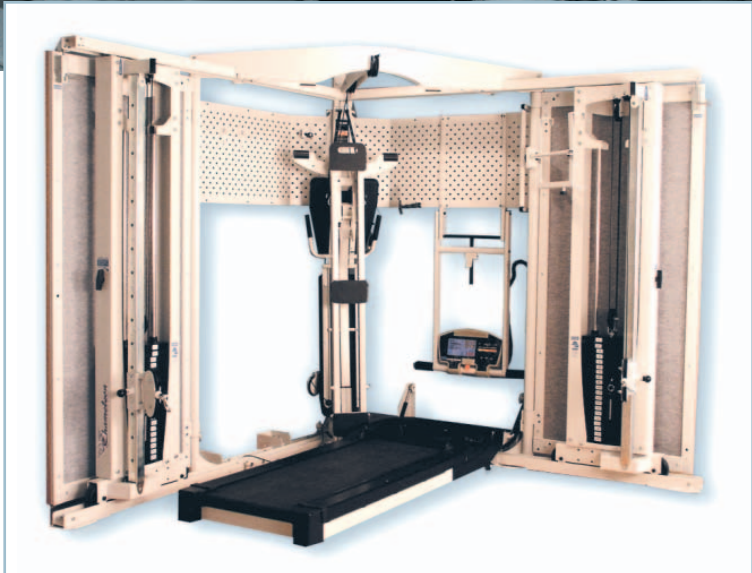

ASSEMBLY

We specialize in complete assemblies, including mechanical and electrical assembly and complete the cycle by packaging and drop shipping the finished units to your door.

From fabrication of simple brackets and panels, to painting to sub assemblies, to multi-part assemblies to final packaging, to

barcode labelling, we can provide you with a TurnKey solution to all your needs.

Advantages

- TurnKey solutions, One Stop Shop Consistent Quality throughout the entire production cycle.
- Elimination of damage/rework costs caused by multiple vendor handling and shipping
- Elimination of multiple handling, packaging, and shipping costs by reducing multiple vendors to Steel Craft Corp.
